Party packages cannot be used in conjunction with any other offers.

Get ready to Party

Making a Booking

Party bookings can be made at any time but best done as early as possible before the actual party date required. Your booking is then reserved, and will be confirmed once you have paid the \$50 deposit (which is non-refundable). Complimentary invitations are provided on payment of the deposit.

Before You Arrive

Please advise guests that they must arrive 15 minutes prior to the commencement of the party. The number of children attending must be confirmed at least 3 days prior to the day of the party. Once the number of children has been confirmed, any shortfall in the number of children attending will be charged for at the rate for food only. Please ensure all children bring socks with them.

Birthday cakes may be brought to the party though why not take advantage of our delicious ice cream cakes. Please note no other food or drink may be brought into the bowling centre.

When You Arrive

Upon arrival please introduce yourself to the reception desk, where you will be introduced to the party host. You will then be taken to the area that your party has been allocated. When your guests have arrived, you will be given bowling shoes and taken to the lanes. When games have finished you will then be taken to the party area where food will be served. When the party has finished the tables will need to be vacated to enable the staff to prepare for the following party. It is the parent's responsibility to maintain an adequate level of behavior of children while the party is being held at Highlands Tenpin. Parties normally last around 2 hours depending on the size of the party.
